June 6, 2021

Dear Shadow Pointe Neighborhood Homeowners,

Effective June 1, 2021 the management of the association has been turned over to Admiral Property Management of Indiana Inc. Barbara Brooks is the Property Manager as well as the owner of Admiral Property Management. Some of you may remember me from my time with Meridian Management Corporation from 2006-2011. I'm looking forward to working with those I have met and those I have not yet. Everything will continue to operate as it always has for you, the only change is your point of contact. I will be working directly with your Board of Directors and overseeing any vendors that may perform any work on the common areas.

We will be reaching out to you soon to schedule an annual members meeting. Until then please feel free to contact me with any questions or concerns regarding the community. If anyone is in need of a copy of the Covenants and Restrictions, I have them available in electronic form, send me an email and I will get them out to you.

Respectfully,

Barbara Brooks
